September 21, 2005

The Board's President, Dr. Eben DeArmond, determined a sufficient number of Board members were in attendance to constitute a quorum. The quorum was determined by the presence of Dr. DeArmond, Dr. Douglass, Dr. Fitts, Ms. Cherry, Dr. Clark, Ms. Casey, Ms. Fox, Dr. Greer, Dr. Smith and Dr. Tabor. Mark Wildasin, Consumer Board Member, was not present. Therefore, the meeting of the Tennessee Board of Dentistry was called to order at 9:11 AM.

Conflict of Interest Policy

Ms. Presley requested the Board members review the Conflict of Interest Policy which was included in their notebooks.

Approval of Minutes

After review, a motion was made by Dr. Fitts and seconded by Dr. Clark to approve the minutes from the May 12-13, 2005, Board meeting and as well as summary suspension teleconference minutes held July 22 and August 12, 2005. All members present voted in the affirmative to approve the minutes.

University of Tennessee Concerns

Dr. Mike McBride expressed concerns regarding licensing of new faculty members and the time it takes to get licensed.

Temporary License for Hurricane Katrina Evacuees

Robbie Bell stated at the present time the Board does not have authority to issue temporary license but we are working with applicants displaced from Louisiana and Mississippi. Ms. Bell suggested the Board composing a letter to the governor requesting allowing temporary licensure for evacuees who are licensed in affected areas. Ms. Casey made motion for the administrative office to draft a letter to Governor Bredesen requesting temporary licensure of licensed dentists displaced by Hurricane Katrina and Dr. Fitts seconded the motion. All members present voted in the affirmative.

Certification Restorative and Prosthetic Courses

Dr. Russell Gilpatrick presented application for certification course in restorative functions and course in prosthetic functions to be given at University of Tennessee College of Dentistry scheduled to start March 13-16, 2006, if approved. After review by the Board, Ms. Casey made motion to accept courses and Dr. Clark seconded. All members present voted in the affirmative.

Disciplinary Report

Ms. Lea Phelps, Disciplinary Coordinator from the Office of Investigations for Health Related Boards presented Disciplinary Report under Tab 7. Ms. Phelps answered questions regarding collection of fines.

Rules and Regulations

Jerry Kosten handed out information on screening panel rule in Health Related Boards Rules. Dr. Clark nominated Dr. William Nally and Ms. Casey nominated Ms. Marlene Fullilove to serve on screening panels.

Proposed Rules (Send to Rulemaking Hearing)

The proposed rules included relocating the declaratory order language, amending Professional Corporation and Professional Limited Liability Company (PLLC) rules and adding screening panel language as authorized by Public Chapter 234.

Mr. Kosten explained the declaratory order language has on change, just moving to another rule with screening panel rule. New statutes changed PLLC statute so we had to change the rules to match the statute. Jerry explained rules. Ms. Casey made motion and Dr. Fitts seconded to send to rulemaking. All members present voted in the affirmative.

New Roll Call Vote

Mr. Kosten stated Rulemaking Hearing was held July 21, 2005. Add continuing education providers, require applicants for limited license to pass regional examination if attempted regional examination. Delete repetitious language in specialty certification section and require ACLS/PALS to obtain a limited or comprehensive sedation permit. Ms. Casey moved to adopt and Dr. Fitts seconded. After a roll call vote, all members present except Dr. Tabor moved to adopt changes.

Southern Regional Testing Agency (SRTA) Annual Meeting

Dr. DeArmond explained what happened at the SRTA annual meeting and concerns regarding ADEX. Behind Tab 12 are comparisons of SRTA, ADEX, and WREB exams. There are only three states that have signed a contract with ADEX. SRTA will continue giving exam. NERB and CRDTS have adopted ADEX exam which has not been proven valid. The Board discussed similarities and differences; i.e. cost factors, ability to access patients and systemically sound.

Dr. Clark made motion and Dr. Tabor seconded to not accept ADEX exam but to continue to review. All members present voted in the affirmative.

Dr. Clark made motion and Dr. Fitts seconded to delete NERB and CRDTS by public necessity or emergency rule and send to rulemaking. All members present voted in the affirmative.

Applicant Interviews

Ella Morais, RDH – NERB scores over five years old. Ms. Casey moved and Dr. Fitts seconded to approve Ms. Morais's application for licensure. All members present voted in the affirmative.

Daryl Byrd, DDS – Displaced from Louisiana by Hurricane Katrina. Ms. Casey moved and Dr. Douglass seconded to accept application for licensure and place on probation concurrent with all requirements of Louisiana order. Probation will be lifted when copy of order is presented to Board's Administrative Office of Louisiana's probation being lifted. All members present voted in the affirmative.

Patricia Lee Miller, RDH – WREB scores more than five years old. Dr. Fitts moved and Dr. Douglass seconded to approve Ms. Miller's application for licensure. All members present voted in the affirmative.

Discussion regarding eliminating face-to-face interviews and replacing with telephone interviews by Board Consultant and approve pending ratification by the Board. Ms. Casey moved and Ms. Fox moved to approve. All members present voted in the affirmative.

University of Tennessee Health Science Center, Department of Dental Hygiene, Dental Hygiene Community Outreach Preventive Services Project Exemption Request

Ms. Peggy Waring addressed the Board and explained the program. Dr. Fitts moved and Dr. Douglass seconded to extend the program as part of the educational curriculum (clinic of school). All members present voted in the affirmative.

Report to the Board

Dr. Gary Stump reported to the Board on probation required to appear once a year and maintain advocacy of DOPC. There is not any nitrous in office and maintaining advocacy. There were no questions.

Dr. Paul Muscari appeared before the Board as required by order once a year. Lea Phelps, Disciplinary Coordinator, confirmed completion of prescription course and risk management course. Dr. Clark recommended continue tracking records and appearing to the Board each year after reporting his findings after review of Dr. Muscari's records.

Health Related Board Director's Report

Ms. Robbie Bell reported the Board was hoping to move between Thanksgiving and Christmas. She informed the board that the division is working on a new computer system.

The Department of Health has contracted with ChoicePoint to look at number of prescriptions and prescribing habits doctors and nurse practitioners are using. The Department is using ChoicePoint and information from TennCare as a tool and sending letters to the top 100 prescribers to make them aware and they can look at self. Not sending letters to practitioners who have complaints regarding prescribing.
